

# LUONTO®

## FLIPPER ASSEMBLY

Locating and installing the legs

### INCLUDED

Metal Legs X4

Hex Wrenches X1

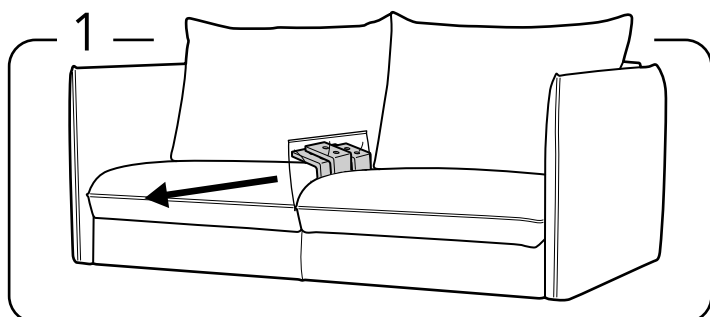

M6X25mm X8

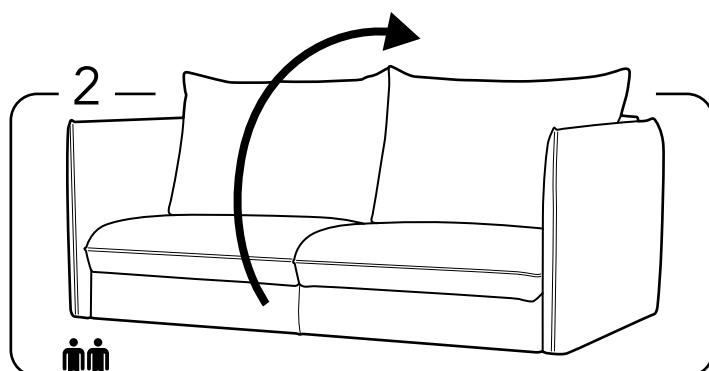

### ATTENTION!

The Legs for your Luonto Sofa are secured to the top of the seat cushion or beneath the seat cushion (in the no-sag springs) depending on the sofa or leg style.

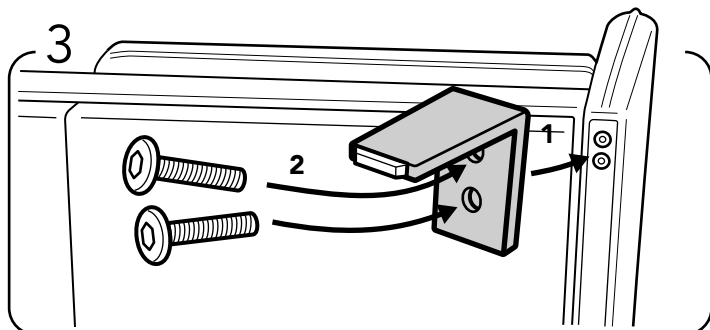

**2-Persons**  
are required

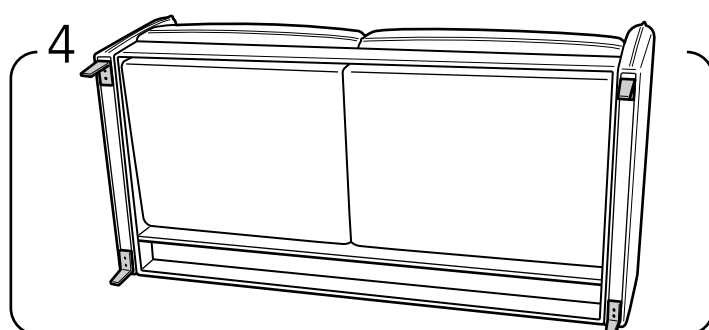

Remove the legs from the top of the seat cushion.

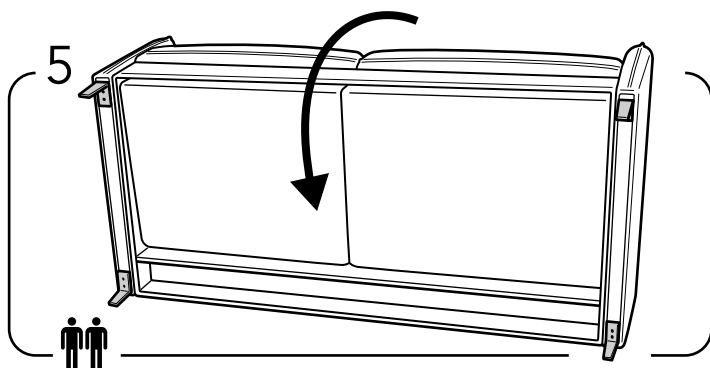

Turn the sofa to the backside.

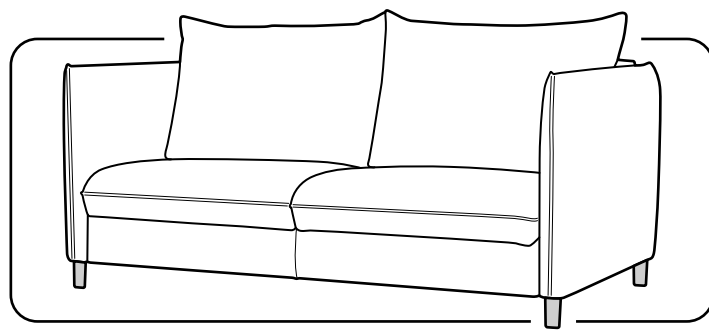

Mount the metal leg in place and screw the 2 (M6X25mm) bolts into the pre-drilled holes.

Repeat the same process for the 4 legs.

Carefully, turn the sofa upright and ensure each of the legs are installed properly.

This is how the final product should look like.
