Remove the legs from the top of the seat cushion.

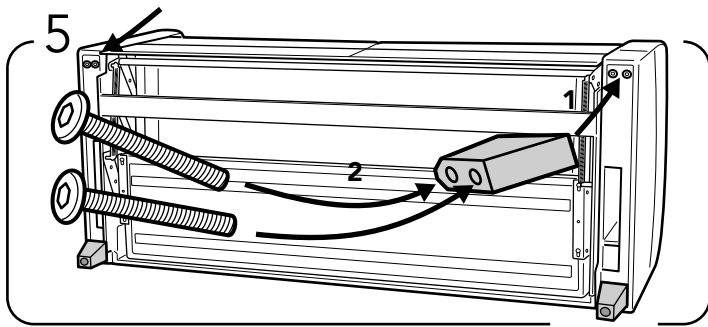

Turn the sofa to the backside.

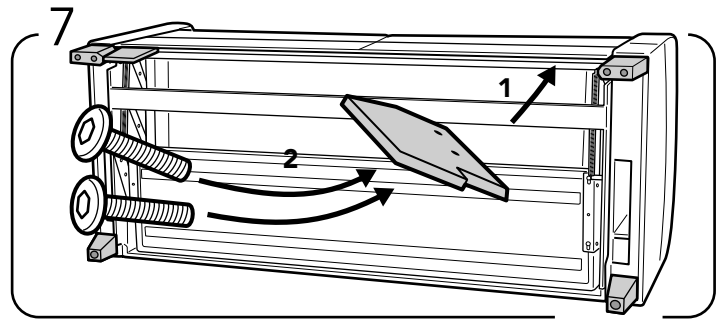

Insert the non slip furniture pads for the wood legs.

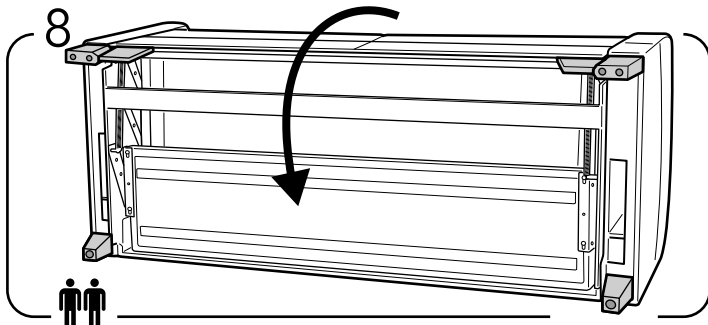

Mount the 2 back legs by twisting each clock-wise into the pre-drilled holes.

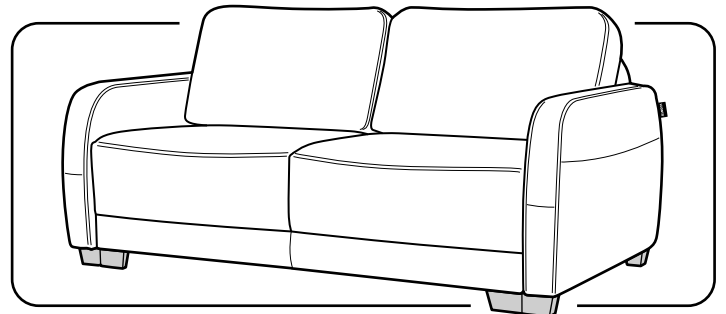

Mount the front leg in place and screw the 2 (M6X60mm) bolts into the pre-drilled holes.

Mount the support leg in place and screw the 2 (M6X30mm) bolts into the pre-drilled holes.
